Electric Rickshaw

GROUP COMPANIES

Swadeshi Auto

Swadeshi Auto Pvt. Ltd is an authorized dealer of Bajaj Auto Limited (Two Wheelers & Commercial Vehicles) in Delhi. Company has been with Bajaj Since 1996.

We understand our customers and emphasize on bringing innovative products for them.

Some of our core strengths with Bajaj Two Wheeler Dealership are as below.

Dealer with over 40 years' experience in two wheeler trade.

Best Dealer in exchange/finance

The Automobile heritage is now being carry forward by his sons, Mr. Sumit and Mr. Prashant, the next generation entrepreneurs, who are well-qualifiedi in Business Management with several years of experience in the traditional business line, with a focus on growth of the organization.

This is a unique product which will eventually turn out to be a fantastic profit proposition for our associates in a very short span of time.

A new dimension in Automobiles Segment comes in the form of Sidmish, an ultimate Tyre Sealant.

SIDMISH

Sidmish, our latest offering is a result of technical evaluation taken place throughout the years. Looking to the needs of consumers, it was imperative to launch these products which would ensure immense customer satisfaction and better comfort.
